ERRATA.—In the July Number, 213th page, 13th line from the bottom of the page, for "particular illustrations" read "practical;" page 216, Art. 3, for "Defects in the English Language," read "Phonography." Page 217, 11th line from the bottom, instead of "word and name," read "word or name." Page 218, 20th line from the top, for "mid" read "mind." Page 219, for "chirography" read "phonography." Same page, 20th line from bottom, for "thus thus" read "thus far." Same page, 8th line from the bottom, for "but perfected," read "yet perfected." Page 221, 4th line from the bottom, for "appertaining," read "appertain." Page 222, 8th line, for "clothing" read "coloring." Page 223, 19th line from top, instead of "only to rub of off," read "only not to rub off." Same page, over the skulls transpose the figures 1 and 2. Page 225, 21st line, for "make it out" read "make him out." Page 230, 26th line, for "contains" read "giving the usual almanac calendar," &c.

In the August Number, 20th line from the bottom, for "reviving" read "riving." Page 236, 3d line from bottom, for "whole world" read "civic world." Page 240, 12th line from the bottom, for "the too amorous" read "the two amorous Onderdonks." Page 244, 3d line from top, for "binds those very classes which we would reach," read "binds those very chains which we would break." Same page, 13th line, for "ask yourself," read "ask what are the real facts." Page 248, 7th line, strike out the words inclosed in parentheses, and commence the next line with "Now information," &c. Page 249, 25th line from bottom, for "great ordinal," read "cardinal." Page 260, for "perfect race," read "perfect ease."

In the October Number, page 301, 18th line, for "perfection of character," read

"harmony of character." Same page, 12th line from bottom, read "milk-and-water so-so being." Page 302, 12th line from the bottom, for "humbled circumstances" read "humble circumstances." Page 315, 23d line, for "making the operation," read "making the assertion." Page 317, 6th line from the bottom, for "Chon," read "Chan." Page 326, the last article should have been credited to a Georgetown, Md., instead of a New-London paper.

In the November Number, page 339, 10th line, instead of "to its validity," read "to the validity." Page 351, 18th line from top, instead of "these too," read "these two." Page 352, 12th line from the bottom, for "portook" read "partook." Page 358, 10th line from bottom, read "Ashbaugh," instead of "Asbaugh."
